INNERCORE SOVEREIGN AI WORKBENCH

OFFICIAL INVESTIGATION DELIVERABLE · 100% ON-PREMISE AIR-GAPPED

INVESTIGATION PARAMETERS

Query: What is INNERCORE's revenue model?

Operator: OPERATOR_L2 | Agent: Maintenance Agent | Model: llama3.2:latest (Local)

Network Boundary: AIR-GAPPED ON-PREMISE | External Egress: ZERO (0)

EXECUTIVE RESULT & SYNTHESIS

ANSWER

INNERCORE's revenue model is likely a license/maintenance model, with a per-seat or perpetual on-prem license for the software plus annual support. This model is designed to keep the data and insights within the organization, as stated in the official SIH 2026 problem statement. The revenue model also includes professional services for installation and customization.
